

Sangria

Serves 4-6

A fruity red wine sangria that is easy to make and better after a short rest.

Ingredients

- 1 peach
- 1 apple
- 2 oranges (1 sliced, and the juice of the other)
- 1 lemon (half sliced; more than half can be too strong)
- Optional: strawberries, pineapple or other fruits
- 1 tablespoon sugar
- 3 shots of liquor (rum, brandy, triple sec, vodka, gin, etc.)
- 1-1.5 litres red wine
- 1 cinnamon stick
- 1 small bottle of soda water or lemon soda
- Ice

Method

- 1** Cut the peach, apple, orange and lemon into thin slices.
- 2** Put the sliced apple, orange and lemon and the cinnamon stick into a jar or pitcher and pour the liquor over it. Let it sit for 10-15 minutes.
- 3** Add the red wine and orange juice, then add some soda water to taste.
- 4** To finish, add a few ice cubes and some fruit to each glass it will be served in. Enjoy!
