

Sobrassada with Honey and Pine Nuts

Warm spreadable sobrassada on bread, topped with toasted pine nuts and a drizzle of honey.

Ingredients

- 1 piece of sobrassada sausage
- Honey
- Pine nuts
- Baguette

Method

- 1** Slice the baguette into as many slices as you need to serve. Cutting at a slight angle makes for a nice presentation.
- 2** Use a knife or fork to spread the sobrassada onto each slice of bread.
- 3** Heat the sobrassada on the bread in the oven using the broiler, or use a kitchen blowtorch.
- 4** Add a few pine nuts after heating and toast them very lightly in the oven (or with the blowtorch). Finish with a teaspoon of honey on top.
